Determination of the Harold Peacock Shield

Winner - Association with the highest overall points

Allocation of points - ranking made of all teams in age group (PL/SC/CC combined) with points given only to the association's highest ranked team per age group.

The number of teams in an age group determines the number of points awarded (ie. U12 Boys has 22 teams so highest ranked receives 22pts, bottom ranked receives 1pt)

U21 results not included in calculation
