20" by 30" player posters (photo print)	\$215 each + P&H \$15

*(Please complete the order process using our Player Poster Order form at least 1 week prior to the event date.*

*Please refer to the Player Poster Order Form for how to order your player poster.)*

*We have several new poster designs this year. Please refer to the POSTERS link on our website [www.zencreativestudios.com](http://www.zencreativestudios.com) for more information and to choose the design you would like when you place your poster order.*

**Team photographs and Player Portraits** will be captured on the first or second day of each championships (depending on the availability of facilities and equipment) and will be available within 6 to 8 weeks of completion of the championships.

Please note: this is subject to proof approvals via email by your team's Team Manager. If your team manager delays approval of the proof image, your teams photos may also be delayed. Team photos will be completed in the chronological order of the championships.

Team Photos are organised through your Team Managers (or Team Coaches), with prepayment required at the team photograph. Any players missing should be marked as "absent" on your team photo order form by Team Managers.

**Game (action) photos** will be available via our website [www.zencreativestudios.com](http://www.zencreativestudios.com) within 2 to 4 weeks and secure purchases can be made using VISA or MasterCard.

## **Player Image Guarantee System —> Player Posters**

Would you like to ensure that our photographers capture action photos of your player? *Placing an order for a player poster is the way to secure this service. Player posters are a perfect memento or gift from the State Championships and there is a range of designs to choose from under the POSTERS link on our website.*

Ordering is a very simple 2 step process

1. Fill out the Player Poster Order Form and email it to [zencreativestudios@gmail.com](mailto:zencreativestudios@gmail.com) **two weeks before the championships**. We will then email you a PAYPAL invoice for a 50% deposit for your poster order. Your invoice will have a due date for payment of your deposit. Order forms are available for download at [www.zencreativestudios.com](http://www.zencreativestudios.com).
2. Pay your 50% deposit by the due date on the deposit invoice - which will be **1 week prior to the beginning of the championships** for your competitors age group. Completing the deposit payment ensures your player is added to our photographers list at the championships. *Your deposit is refundable only in the event that we fail to photograph your player.*
3. After the championships we will design a poster for you and forward a proof via email. At the same time we will also forward a second PAYPAL invoice for the remaining 50% of the posters purchase price. Once payment has been completed in full and upon completion of the proofing process with you, we will send your poster off for printing and send it out to you with "Signature on Delivery" required.

Please note:- The Player Poster Order Form is an *order* for a service; not an expression of interest. In order to give our photographers the best chance to photograph your player, please ensure that you complete the Player Poster Order process up to and including Step 2. exactly as described above. Late orders will not be accepted.
