Applications for players to play outside their Affiliated Association must be lodged with BQ at least seven (7) days prior to the nominated closing date

- If a player does not wish to represent his/her home Association then he/she is eligible to represent an Association in which he/she plays in during the period of study, provided clearances are obtained.

1.4 When Eligibility Is Questioned:

- It is the responsibility of the Association for which a player represents to supply the necessary documentation to BQ to justify the eligibility of any player if such eligibility is questioned.
- Likewise if non eligibility is claimed then the person/Association making the complaint must provide detailed reasons for the complaint.

1.5 Player Information Details:

- All player information details shall be submitted to BQ in accordance with relevant deadlines to be accepted for the Championship.
- If a player does not already exist in the online database the minimum information required to be entered when adding a player is their first name, surname, date of birth, suburb and postcode. A playing number must also be included for each player when registering them to a team online.
- A closing date for registering all players online will be identified in the nomination information. Associations will still be able to modify team players until the day prior to Championships for reasons such as player injury by emailing the players details (i.e. full name, date of birth and player number) to the BQ Competition Coordinator or Manager.
- Up to twelve (12) players only may participate in the State Championship. The team list registered online will be forwarded to the Team Manager and Association Delegate approximately one week prior to the Championship to

review. Any changes to the team list must be finalised with BQ seven (7) days prior to the Championship. Once this deadline has passed, the only changes that will be considered are those required due to an emergency situation or injury that is bona fide with BQ.

- Only the players listed on the final team list are permitted to play in the Championships.
- An Association representative ie: President or Secretary must certify the Online Team Registrations Form which lists all the teams they have entered online. 1.6 Birth Certificates:

- Each nominating Association will sight their own Birth Certificates and state that he/she has sighted the original Birth Certificate and that all nominated players are of correct age and eligible to compete in accordance with the Rules of the competition.
- It is the responsibility of the individual Affiliated Associations to ensure that all players are eligible to compete.
- Should the eligibility of any player come into question, BQ shall have the power to ask the Affiliated Association to prove by way of original Birth Certificate or Extract or other suitable documentation that the player was in fact eligible to compete.

1.7 Ineligible Players:

- Has not been cleared from another Association or been given permission to play by Basketball Queensland
- Has not served the mandatory wait periods after being cleared by an Association and as instructed by Basketball Queensland as outlined in the BQ Transfer Policy
- Is suspended
- Is over the age for the competition

Where it is proved that an Association has played an illegible player, the following penalties shall apply:

- Forfeit of all games in which the ineligible player participated
- Maximum fine of \$1,000.00 at the determination of BQ.

If this breach is detected after the finals and the team in question won a medal, this team will, in addition to the fine above, forfeit their medals and all the team that competed at the Championships that finished in positions below the disqualified team will move up one place.

1.8 Team Officials

- All coaches and team managers of teams competing in the State Championships competitions must complete a Team Officials Disclaimer for being bound by the Basketball Queensland and Basketball Australia Codes of Conduct.

I will be bound by and agree to comply with the constitutions, regulations and policies of Basketball Australia and Basketball Queensland. I agree to comply with the provisions of the Codes of Conduct and I submit to the jurisdiction of the Disciplinary Tribunals of Basketball Queensland and agree to be bound by any decisions of these Tribunals.

- If the Team Official is Under 18 years of age there is a further section for the parent or guardian to acknowledge.
- Any Team Officials who does not complete the Disclaimer will not be permitted to continue to function in their capacity for their Team at the State Championship

1.9 Child Protection Act

- Under the Commission for Children and Young People Act 2000 (Qld), it is a legislative requirement that all Team Staff (i.e. Coaches / Manager), Referee Staff (i.e. Commissioners / Managers / Evaluators) and any other PERSONS over the age of 18 years that are accompanying teams or referees away from home must have a valid Blue Card or an Exemption Card.
- All team officials should also have signed an Association Member Protection Declaration when taking on their position with the team.
- Signed Declarations should be retained by the Association.
- All Blue Card details of Team Staff and Referee Staff are to be entered into the persons SportingPulse Online Membership Record at their Association as noted in the Blue Card Requirements for State Championships document and outlined in the Memorandum for 2014 Volunteer Member Registrations. Both of these documents were sent to Associations with the Nomination Information.
- If the Association does not comply with these legislative requirements they may be liable to a fine.

2. RULES & REGULATIONS

2.1 Playing Uniforms:

- All teams are to be correctly attired. Uniforms are to be numbered 1 - 99 in accordance with the Official FIBA Basketball Rules. Numbers 0 and 00 however are **not permitted**. Games may be forfeited for incorrect dress. The current BQ logo must be worn in a **visible** position on playing tops; failure to have BQ logo on playing tops will incur a \$200.00 fine. For all new uniforms the Basketball Queensland logo must be displayed on the right breast of all Representative Team Uniforms and must be depicted in the corporate colours of black, orange and white and cannot be modified to suit Association colours. Playing Uniforms will be monitored by the Event Commissioners throughout the tournament to ensure a BQ logo is visible.
- An alternate set of playing singlets must be on hand if required and the two colours must be distinctly light and dark. The same playing numbers are to be allocated to players in both strips.
- In the event of two teams having the same or similar coloured primary uniforms, the first named team on the draw (Team A) is to wear their primary colours and the second named team (Team B) is to wear their alternate colours. However, if the two teams agree, they may interchange the colours of the shirts.
- Each team is required to carry at least 1 spare playing singlet and shorts in case a uniform is spoilt by blood. The spare uniform is to be of a different number to those already listed on Stadium Scoring.
- No t-shirts / full body skins are to be worn under uniforms unless a medical certificate or other extenuating circumstances are submitted to the BQ

Competition Manager prior to the tournament and are approved. If permission is given, t-shirt/skins must be of the same single colour as the playing singlet. This decision is final and not subject to appeal.

- Singlets must be tucked in at all times.

2.2 Playing Equipment:

Players shall not wear equipment (objects) that may cause injury to other players.

The following are **not** permitted:

- Finger, hand, wrist, elbow or forearm guards, casts or braces made of leather, plastic, pliable (soft) plastic, metal or any other hard substance, even if covered with soft padding.
- Objects that could cut or cause abrasions (fingernails must be closely cut).
- Headgear, hair accessories and jewellery.

The following **are** permitted:

- Shoulder, upper arm, thigh or lower leg protective equipment if the material is sufficiently padded.
- Compression sleeves of the same dominant colour as the shirts.
- Compression stockings of the same dominant colour as the shorts. If for the upper leg it must end above the knee; if for the lower leg it must end below the knee
- Knee braces if they are properly covered.
- Protector for an injured nose, even if made of a hard material.
- Mouth guard of any colour
- Spectacles, if they do not pose a danger to other players.
- Power Band - only permitted on wrist if covered by tape and only on ankle if worn under the sock.
- Headbands, maximum five (5) cm in width, made of non-abrasive, unicolour cloth, pliable plastic or rubber.
- Non-coloured transparent taping of arms, shoulder, legs etc.

2.3 Sponsorship on Uniforms:

- Sponsorship is permitted on Championship uniforms, as per current FIBA Rules.
- Teams, which compete at BQ State Championships, should be aware that it is not BQ Policy to approve of Sponsorship by Alcohol and Tobacco Companies for Junior Basketball. Uniforms, warm-up gear, playing equipment, etc that carries such advertising will not be allowed.

2.4 Injured Players

If during the course of the tournament a player receives an injury and the Sports Med has noted that they should not continue playing in the tournament, but the player wishes to continue, the player must first obtain a Doctors certificate stating they can play and present this to the Event Commissioner before being permitted to take the court. If the injured player is unable to obtain a Doctors certificate due to there being insufficient time between games to attend a Doctors Surgery or there is no Doctors Surgery open due to the timing or day of the game, however wishes to continue playing, written approval from a parent or legal guardian must be provided to the Basketball Queensland Event Commissioner.

2.5 Game Timing:

4 x 8 minute quarters fully timed for Under 12 and Under 14 age groups.
4 x 10 minute quarters fully timed for Under 16 & Under 18 age groups.

Two time outs may be granted to each team during the first half (1st & 2nd periods) and three time outs during the second half (3rd & 4th periods).

Warm up shall be 3 mins, time between quarters shall be 1 min, and half time is set for 3 mins; but is subject to amendment if required.

For the Division 1 Grand Final the schedule will aim to allow for 5 minutes warm up and 5 minutes half-time; however this may be reduced to 3 minutes at the discretion of the BQ Event Commissioner if games are not running on time.

All teams are permitted to warm up only on the court which they are playing on next.

In the event of a tied score at the end of a game, extra time periods of 3 minutes will be played until a result is obtained. A 1 minute break between regular time and extra periods of 3 minutes will be taken. During extra time each team is allowed 1 time out during each period.

In special circumstances the Championship Technical Committee may authorise the reduction of the warm up and half time intervals.

The 24-second clock will operate in the U14, U16 & U18 State Championships and is compulsory in these age groups including all playoffs and finals. It is not implemented for the U12 age group.

2.6 U12 Free Throw Line:

Free throws are to be taken from the designated free throw line within the keyway (0.9m in front of the original free throw line).

2.7 Starting Players:

Each team will have all of their registered players (maximum of 12 players) listed on the Stadium Scoring game file. Only these players may participate in the Championships. In order to start a game teams must have a minimum of 5 players. Refer to section Defaults & Forfeits for the process of what will occur if there are not 5 players to start the game.

2.8 Bench Allocation:

First named team on the draw shall sit on the bench immediately to the left of the scoretable (the left hand side is that side if sitting on the score bench).

2.9 Match Balls:

- **Size 6** - All female competitions; U12/U14 Boys competition
- **Size 7** - U16 & U18 Boys competition

All game balls are supplied by Basketball Queensland and will be Spalding TF500 balls.

2.10 Technical Foul for use of Foul Language or Derogatory Remarks directed at Officials by Players:

- Technical fouls for use of foul language or derogatory remarks directed towards officials, where a referee believes an ejection is not warranted, shall result in the player being substituted from the game and sitting five minutes of playing time on the Team Bench, irrespective of score, number of players on the court or remaining time in the game.
- When the Official calls the technical foul, he/she is also to look at the clock and quote the time remaining, so the scoretable officials can note it on the match report. E.g. 7.41 1st quarter, and the player can then re-enter the game at 2.41 or after (via substitution through the bench).

2.11 Classification of Teams:

Standings for the major rounds will be determined primarily on the number of competition points earned.

Point scores:	Win:	2 points
	Loss:	1 point (includes default)
	Forfeit:	0 points

1. If there are two teams that finish equal after a major round then only the result(s) of the game(s) between the two teams involved will be used to determine standings.
2. In the event that the total points scored and conceded are the same in the games between the two teams, the classification will be determined by GOAL PERCENTAGE taking into account the results of all the games played in the pool by both teams.
3. If more than two teams are equal in the placing, a second classification will be established taking into account only the games played between the tied teams with GOAL PERCENTAGE to be used to determine the placings.
This is decided by:

$$\frac{\text{Points for}}{\text{Points against}} = \text{Goal Percentage}$$

4. If after the second classification there are two teams still tied, the result(s) of game(s) from the pool game between the two teams involved will be used to determine the final placings.
5. If after the second classification there are three or more teams still tied, the placings will be determined using GOAL PERCENTAGE from the results of all their games played in the pool.
6. GOAL PERCENTAGE will always be calculated by division.

Note: In some formats games results from initial pools may be carried over to new pools and will be included in the classification of teams in the new pool.

2.12 No "Zone" Rule:

The use of Zone Defence is banned at Under 12 and 14 Junior State Championships. This is to encourage the development of defensive and offensive skills in the younger athletes. In the interest of better player development, coaches should ensure defences are only those which incorporate man to man principles.

The Host Association must provide sufficient Zone Busters to police this rule throughout the Championship. Zone busters will be provided with the BA Zone Buster Manual and must wear the highly visible vests provided by BQ to make them easily identifiable to team officials.

Note: Only team officials (i.e. Team Manager or Assistant Coaches) are permitted to request the attendance of a Zone Buster at their game. Requests from spectators will not be accepted.

Definition of Zone Defence

Any defence in the half court, which does not incorporate normal man-to-man defensive principles. Trapping defences which rotate back to man-to-man principles are acceptable.

Violations of Man-to-Man Defence

Violation of the "no zone" rule will generally fall within one of the following categories:

- One or more players are not in an acceptable man to man defensive position in relation to the player they are guarding and the player with the ball;

- A cutter moved all the way through the key and was not defended using acceptable man to man defensive techniques (eg. bumped, switched, followed)
- Following a trapping or help and recover situation the team make no attempt to re-establish man to man defensive positioning
- Teams Zone press and did not assume man to man defensive positioning once the ball was into the quarter court.

Zone Busters

The Host Association must appoint at least 1 observer each to observe and if necessary make rulings on violations.

Zone Busters will:

1. Take into account the intention of the defensive team
2. Take into account the time and state of the game
3. Act immediately on deliberate and premeditated use of zone defence at a critical time of a game
4. If there is any doubt, the benefit of the doubt will be given to the defensive team

If a Zone Buster determines a team is playing a zone the following course of action will occur:

1. First offence - warning - speak to coach
2. Second offence - Technical Foul
3. Third offence - Second Technical Foul - disqualification of head coach
4. Fourth offence - Third Technical Foul - disqualification of assistant coach
5. Violations throughout the Championship - If a team has been penalized for playing "zone defence" in two or more games during the Championship, the Championship Technical Committee may take further disciplinary action including, but not limited to, disqualification and loss of points.

2.13 Scoretable:

- Each team competing in a BQ State Championship must supply two competent scoretable officials for each of their games. BQ will not accept nominations if Associations fail to provide the relevant number of scoretable officials.
- Some Host Associations may offer to provide scoretable officials to teams requiring assistance for a fixed fee of \$25 per person per game. Whilst Host Associations may have this service on offer it is the ultimate responsibility of the team to ensure the scoretable is staffed for all of their games. If a team does not have a scoretable official present, and the Host Association is unable to provide one, the Manager of the team will be required to fill this position. If the manager is unable to fill this position then the coach must become the Scoretable official. If the coach is unable to fill this position and the team is then unable to provide the required scoretable the game will be classified a forfeit by the team unable to provide the scoretable official/s.
- The scoretable should consist of a person for the Stadium Scoring console, the game clock, 24 second operator and chairperson. It is preferred that all persons on scoretable reach an agreement of who will fulfil which roles, however should a disagreement arise over duties Team A will be responsible for game clock and shot clock, while Team B will be responsible for stadium scoring and chairperson.

2.14 Referees:

- It is the Association Referee Advisor's responsibility to adequately assign a suitably qualified referee for each of their nominated teams in the U12 & U14 age groups. The BQ Referee Education Matrix and Mapping System should be used when assigning referees. Failure to nominate a suitably qualified referee may result in the team's nomination being revoked.
- If an Association nominates a referee to the U12 and U14 State Championship and the **referee does not attend**, without a **valid reason** as **approved by the BQ Competition Manager**, or is not replaced with another referee organised by the Association, a **fine of \$250** will be applied to the team in addition to any travel levy that has been outlined in this memo. This fine represents the additional work required in finding extra referees to ensure each Championship has the resources required to proceed efficiently.
- Associations who have not supplied a referee in **either** of the two previous years will be charged a fine amount that is **double** the fine for not supplying a referee.
- Associations who have not supplied a referee in **both** of the two previous years will be charged a fine amount that is **triple** the fine for not supplying a referee.
- Associations who have not supplied a referee for **three consecutive years** will be charged a fine amount that is **triple** the fine for not supplying a referee, and may have their nominations to State Championships refused for the next years' State Championship (in any or all age groups, as determined by BQ). Admittance to future State Championships will be contingent on the association being able to supply suitable referees for each of their State Championship teams from that point onwards.

This fine structure applies to the supply of referees from 2014 onward (ie. 2012 & 2013 will not be counted).

- **Associations who supply a referee that is not from their association** (i.e. "borrowing" a referee) **will be liable for a fine of 50%** of what their fine would be **for not supplying a referee** in addition to any specified travel levy. For 2017 this fine will be \$125. Associations who have borrowed in either or both of the previous two years (counting from 2014) will be subject to double or triple fines respectively. Associations that are liable for a double fine or triple fine for not supplying a referee will have their fine for borrowing a referee doubled or tripled also.
- Referees will be selected and invited to attend both the U16 and U18 State Championships. Please note there will still be a section on the Nomination Form for you to nominate a referee to these Championships if you wish and the nomination will be reviewed by the BQ Referee Development Manager
- All referees attending the State Championships must be registered with Basketball Queensland. Selected Referees & Associations will be notified directly by BQ with all information regarding the State Championships they are attending.

2017 Referee Travel Information

Travel Arrangements for U12 & U14 State Championships – all associations

- It is the responsibility of the Association to provide transport for their nominated referee/s to and from the State Championships and ensure each referee has arrived to their accommodation venue by 3pm the day prior to the Championship commencing.

Travel Arrangements for U16 & U18 State Championships – all associations

- As all referees are selected by Basketball Queensland, travel arrangements to and from these Championships will be arranged by BQ with an equalised cost per team passed on to Associations in addition to the nomination fee.

Accommodation

- To ensure referees are receiving the same education, all are required to stay at the accommodation provided by Basketball Queensland. There is no exception to this for local referees.

2.16 Defaults & Forfeits:

Late Starts

If a team is not ready to play with the correct number of players (all teams must have 5 players to start the game) within 10 minutes of the scheduled game time the game shall be called a forfeit, unless in exceptional circumstances (eg. held up due to a traffic accident). A late start shall incur a TWO POINT per minute penalty until a forfeit is declared (10 minutes). The game clock will start at the scheduled start time with the team that is there ready to play being given two points per minute. If the opposing team arrives in the ten minute period the game will be played from that moment (i.e. the game clock will not be reset). The team that forfeits the game will receive no competition points and the score will be recorded as 20-0 in favour of the opposing team.

Forfeits

Games will be considered a forfeit when any of the following occur and will result in the game being awarded to the opponents with a score of 20-0 and the forfeiting team receiving no competition points:

- The teams plays an ineligible player
- The team does not have five players ready to play within 10 minutes of scheduled game time as outlined above.
- The team walks off the court and refuses to finish the game at any stage of the match.

Defaults

A team shall lose a game by default if, during the game, the team has fewer than two (2) players on the playing court ready to play (i.e. remaining team members have all been fouled out). If the team to which the game is awarded is ahead, the score shall stand as at the time when the game was stopped. If the team to which the game is awarded is not ahead, the score shall be recorded as two to zero (2 to 0) in its favour. The defaulting team shall receive one (1) point in the classification.

2.17 Disputes & Decisions:

All disputes and competition decisions will be heard and decided upon by the Technical Committee of three (3) comprising the BQ Representative, the Referee's Commissioner and the Host Association Representative. Their decision will be final.

2.18 Protests:

Game Procedure:

Correctable Errors

Officials may correct an error if a rule is inadvertently disregarded in the following situations:

- Awarding an unmerited free throw/s
- Failure to award a merited free throw/s
- Erroneous awarding or cancelling of a point/s
- Permitting the wrong player to attempt a free throw/s

General Procedure

To be correctable the above mentioned errors must be recognised by the officials, Referee Supervisor, or the score table officials before the ball becomes live following the first dead ball after the game clock has started following the error.

An official may stop the game immediately upon recognition of a correctable error, as long as neither team is placed at a disadvantage.

Any fouls committed, points scored time used additional activity which may have occurred after the error has and before its recognition, shall not be nullified.

After the correction of the error, unless otherwise stated in the rules, the game shall be resumed at the point it was stopped to correct the error. The ball shall be awarded to the team entitled to the ball at the time the game was stopped for the correction.

If a Coach believes that during this period in the game, they have been adversely affected by a decision made by an official, referee or umpire, the following action may be taken:

- When the incident occurs, the coach shall approach the scoretable and inform the chairperson to advise the official that there is a correctable error situation. The chairperson of the scoretable shall make his or her observations to the referees. The referee may discuss the matter with the Coach to explain his/her decision or, if necessary, examine the Stadium Scoring file and check the score and the playing time. At the discretion of the referee and based on the validity of the stoppage, the error may be corrected.
- If by the completion of the game the team still believes its interests were adversely affected by the decision of the official/referee/umpire, the coach with the captain of the team shall, immediately at the end of the game, inform the referee that his/her team is protesting against the result of the game and the captain shall sign the match report in the space marked 'Captain's signature in case of protest'.

Lodging the Protest:

All disputes or protests must be lodged with the Basketball Queensland Competition Manager or Event Commissioner. To make the protest valid, the Team Manager must give confirmation of the protest in writing. This must be made within twenty (20) minutes following the end of the game. Detailed explanations are not necessary. It is sufficient to write: 'The X team protests against the result of the game between the teams X and Y'. An application fee of \$50.00 shall be submitted with any protest, which may be refunded if proven justified. After the protest has been submitted the BQ Competition Manager / Event Commissioner can seek further details from the Team Manager in regard to the protest.

The referee shall, within the hour following the end of the game, report the incident which led to the protest, to the Basketball Queensland Competition Manager / Event Commissioner.

Protest Outcome:

Any protest shall be heard and decided upon by the Tournament Technical Committee of three (3) comprising the BQ Representative, the Referee's Representative and the Association Representative. Their decision will be final.

Please note teams that protest must be prepared to replay the game at times outside of the normal times of play (i.e. 6:00am or 9:30pm). This may be due to venues being at capacity or to ensure teams have a break either before or after their next scheduled game.

2.19 Team Withdrawal:

Fines will apply if Associations withdraw teams after completing Stage 1 of the Registration Process of Nominating the Team and Team Officials. The amount of the fines will be at the sole discretion of the Basketball Queensland Management Committee. The minimum fines are set below:
