## TEAM CLASSIFICATION

All pool placings shall be determined according to the number of competition points earned.

In the event of two teams being equal for a position, preference will be given to the team winning the game played between the two equal teams.

If more than two teams are equal for a position, preference will be given to the team with the best goal average between the equal teams. This is decided by:

$$\frac{\text{Points for}}{\text{Points against}} = \text{Points percentage}$$

Only the games played between equal teams are counted towards determining the points percentage.

## FURTHER INFORMATION

- Each team competing in the State Championships must supply two scoretable officials for each of their games
- Basketball Queensland will be supplying Spalding TF500 as the official game ball
- Teams will be issued with entry passes which are valid for the duration of the State Championship they are participating in ONLY

The U12 State Championships will operate under the 2017 State Championships Policy and the 2014 FIBA Rules. The only exception to this is that the old 3 point line will still be used (if marked on court) and there is a designated U12 free throw line.

Please note for any rules that slightly differ between these documents the State Championships Policy takes precedent. If either rules are silent on a matter arising in relation to the State Championships, the BQ Competition Manager may make a decision about how the matter is to be dealt with. As part of nominating for the Championship teams accept the chosen format of Basketball Queensland and acknowledge that they must play under this format with no option to challenge it.

**Daily Spectator Entry Fee:** Adults - \$5, Children (6 to 17) - \$2, Children (under 6) - free

## **No Zone Rule**

Coaches are reminded the "no zone" rules apply for the Under 12 State Championships. In the interest of better player development, coaches should ensure defences are only those which incorporate man to man principles.

### **Definition of Zone Defence**

- Any defence in the half court which does not incorporate normal man to man defensive principles
- Trapping defences which rotate back to man to man defensive principles are acceptable

### **Violations of Man to Man Defence**

Violation of the "no zone" rule will generally fall within one of the following categories:

- One or more players are not in an acceptable man to man defensive position in relation to the player they are guarding and the player with the ball;
- A cutter moved all the way through the key and was not defended using acceptable man to man defensive techniques (eg. bumped, switched, followed)
- Following a trapping or help and recover situation the team make no attempt to re-establish man to man defensive positioning
- Teams Zone press and did not assume man to man defensive positioning once the ball was into the quarter court.

### **Penalties for use of Zone Defence**

Zone Busters will be monitoring all games and enforcing the "no zone" rule at all U12 State Championships. The penalties for the use of a zone defence are as follows:

1. First offence - warning - speak to coach
2. Second offence - Technical Foul
3. Third offence - Second Technical Foul - disqualification of head coach
4. Fourth offence - Third Technical Foul - disqualification of assistant coach
5. Violations throughout the Championship - If a team has been penalized for playing "zone defence" in two or more games during the Championship, the Championship Technical Committee may take further disciplinary action including, but not limited to, disqualification and loss of points.

For further information on how the "No Zone" Rule will be implemented at this State Championship please refer to the Zone Buster Manual produced by Basketball Australia.
