### **Scoretable Personnel**

Each team competing at the Championships must supply two competent scoretable officials for each of their games. Team A is responsible for Game Clock & Shot Clock, Team B is responsible for Stadium Scoring & Chairperson.

Teams may request scoretable assistance from the host association, and while they will endeavor to meet requests, please note that assistance is limited and **cannot be guaranteed**. The responsibility will always lie with each team to ensure their games are sufficiently covered – teams will be forfeited if they fail to provide scoretable personnel.

If the injured player is unable to obtain a Doctor's Certificate due to there being insufficient time between games or there is no surgery open due to the timing/day of the game, written approval from a parent or legal guardian must be provided to the Event Commissioner.

### **Responsibilities Regarding the Draw**

Team staff are encouraged to check the draw right up to the start of the event for changes and every day during the course of the tournament. It is the Team Manager's responsibility to ensure their team is present and ready to play at their scheduled game time.

Event staff will make every endeavour to contact teams via a text messaging system to inform them of times for crossover games. Where teams move into a promotional pool the manager will receive a text to advise them of their new pool, team number, and details of their first game only. The manager is to then use this information and refer to the draw for all their remaining pool games.

Please note however that notification via the text messaging system may not always be possible and the responsibility of ensuring the team is at their scheduled game on time will always remain with the team staff. The order of preference for draw queries is as follows.

1. Check on the results board at the stadium as to where you finished on the ladder and see the Tournament Office staff if you need any points clarified
2. Check the ladder on the BQ website to see where you finished and then cross-reference this with the Official Draw
3. Check the Draws and Results section of the Basketball Queensland Website for updated Draws
4. Call BQ Commissioner for venue: Karlin Fernandini 0417793410

### **Medal Presentations**

Presentations for all divisions will take place on court 1 at the conclusion of the Division 1 Final.

No medal presentations will be held earlier and teams who do not attend will have their medals shipped to the Association.
