

# 2017 VINCE HICKEY AWARD

## Joint Winners

### Cairns and Southern Districts

Basketball Queensland congratulates *Cairns Basketball* and *Southern Districts Basketball* Associations on being awarded joint winners of the Vince Hickey Award for Champion Association across the 2017 State Championships.

This is the first time since 1998 that joint winners have been awarded.

After taking out this award in 2016, Cairns have again placed strongly, taking out a share in the top honours thanks to winning the U12 Boys and U14 Boys Championships, and placing 2<sup>nd</sup> and 3<sup>rd</sup> in two other age groups.

Despite not claiming a Division 1 title this year, Southern Districts were hot on the heels of Cairns, showing consistency leads to great things. Southern Districts placed top five (including 2 x silver, and 2 x bronze) in 6 out of the 7 boys and girls championships held this year, assisting them in equalising with Cairns in taking out this top award.

The Vince Hickey award is always tightly contested. This is now the 5<sup>th</sup> straight year that Cairns, Southern Districts, Brisbane and Townsville have placed top 4 in this Award.

Points are allocated to Associations based on the overall ranking of all teams in an age group. Points are given to an Association only for their highest ranked team per age group and gender. The number of points awarded is determined by the number of teams who competed in that Championship - for example the U18 Boys consisted of 40 teams so the Division 1 winning team was awarded 40 points.
