CLASSIFICATION

All pool placings shall be determined according to the number of competition points earned.

In the event of two teams being equal for a position, preference will be given to the team winning the game played between the two equal teams.

If more than two teams are equal for a position, preference will be given to the team with the best goal percentage between the equal teams. This is decided by:

$$\frac{\text{Points for}}{\text{Points against}} = \text{Points percentage}$$
