### Player Image Guarantee System → Player Posters

Would you like to ensure that our photographers capture action photos of your player? *Placing an order for a player poster is the way to secure this service. Player posters are a perfect memento or gift from the State Championships and there is a range of designs to choose from under the POSTERS link on our website.*

Ordering is a very simple 2 step process

1. Fill out the Player Poster Order Form (available at [www.zencreativestudios.com/forms](http://www.zencreativestudios.com/forms)) and email it to [zencreativestudios@gmail.com](mailto:zencreativestudios@gmail.com) **two weeks before the championships**. We will then email you a PAYPAL invoice for a 50% deposit for your poster order. Your invoice will have a due date for payment of your deposit.
2. Pay your 50% deposit by the due date on the deposit invoice - which will be **1 week prior to the beginning of the championships** for your competitors age group. Completing the deposit payment ensures your player is added to our photographers list at the championships. *Your deposit is refundable only in the event that we fail to photograph your player.*
3. After the championships we will design a poster for you and forward a proof via email. At the same time we will also forward a second PAYPAL invoice for the remaining 50% of the posters purchase price and Postage and Handling. Once payment has been completed in full and upon completion of the proofing process with you, we will send your poster off for printing and send it out to you with "Signature on Delivery" required.

Please note:- A Player Poster Order is an **order for a service**; not an expression of interest. In order to give our photographers the best chance to photograph your player, please ensure that you complete the Player Poster Order process up to and including Step 2. exactly as described above. Late orders may not be accepted, depending on available time and resources.
